

STAYING ALIVE

MANHATTAN NEW YORK, 1979

Do Ya Wanna Dance?

Join us for a rump thru the 70's at trendy studio Manhattan with zany DJ,, Wolf Guy Jake. Put on your platform shoes, your polyester pants, hug your pet rock and get down and boogie!

This mystery occurs in 1979 at the trendy Studio Manhattan, a chic and glamorous New York discotheque frequented by the rich and famous. Tonight's exclusive crowd of celebrities is feverishly dancing the Hustle to the throbbing rhythmic beat of disco.

*The music stops abruptly when the club's owner, Jackie Fever, is found murdered in her backstage office. The flamboyant Ms. Fever was fatally stabbed – obviously by someone she knew. **You may be a suspect!***
