

# THE CURSE OF THE MUMMY

This murder mystery is set in the Egyptian desert, where an archaeological expedition is searching for the fabled golden pyramid of Pharaoh Shudnadundat. After months of fruitless hunting, the Pharaoh's tomb has been found by accident. Members of the party include Grabbitt & Runne, the bounty-hunting adventurers; Herr Loss and Heidi Veppen, his niece, who claim to be archaeologists from Germany; Gladys Knott-Mee, who is engaged to Wilson Begone, the leading Egyptologist; Ahmed Abooboo, the expedition 'Mr. Fixit' hired for his local knowledge; Doc Wazzup, the American field doctor and Major Payne, the British Officer attached to the expedition to ensure that any artifacts are properly logged and recorded.
